(Start Belt #6)

until that happens, this is the only thing that we can do, is take these bills as they come from the committees themselves; for instance, there might be a committee here that will want a bill before we reach the very end of our session but you can ask the Rules Committee to definitely and finally put an end to it by changing the rules. This is the rules we live under.

SPEAKER: The Chair would respond that we can suspend the rules with 30 votes and when we introduce a bill, we suspend the rules so the only way you can keep from it is not to have 30 votes. Senator Stahmer. Senator Stahmer passes. Senator Syas.

SENATOR SYAS: Well, I was just wondering, why not suspend the rules and introduce all bills for the next 30 days and then everybody will have all the bills they want in here and then we can adjourn and leave them on the board and maybe we can, we're just using this to get around the 10 mill levy; I mean the 10 bill limit anyhow.

SPEAKER: Senator Syas, is the Chair supposed to take that as a motion?

SENATOR SYAS: Well, we might as well settle it, if we're going to introduce bills, we might as well open it up.

SPEAKER: Motion loses from want of a second.

CLERK: Mr. President, I still have another bill--read the title on it.

SPEAKER: Mr. Clerk, read the title.

CLERK: L.B. 496, Senators from the Agricultural Committee, signed by Senators Schmit, Rasmussen and Maresh (read). That's all, Mr. President.

SPEAKER: We now go to select file. Is Senator Cavanaugh in the room? Senator Cavanaugh:

SENATOR CAVANAUGH: Mr. President, I move the adoption of the E&R amendments to L.B. 165.

SPEAKER: A motion has been made to adopt the amendments, is that it, Senator Cavanaugh?

SENATOR CAVANAUGH: Yes.

SPEAKER: Amendments to L.B. 165? Those in favor say aye. Those opposed no. Motion carries.

SENATOR CAVANAUGH: Mr. President, I move L.B. 165 as amended be advanced to E&R for Engrossing.

SPEAKER: It has been moved that L.B. 165 be advanced. Those in favor say aye. Opposed no. The bill is advanced.

SENATOR CAVANAUGH: Mr. President, I move the adoption of the E&R amendments to L.B. 166.

SPEAKER: It has been moved that amendments to L.B. 166 be adopted. Those in favor say aye. Those opposed no. The motion passes.

SENATOR CAVANAUGH: Mr. President, I move that L.B. 166 as amended be advanced to E&R for Engrossing.
